An Introduction of the Yangtse Three Gorges

The Yangtse Three Gorges is to point to gazing alarmedly pond gorge , Wu Xia and Xiling Gorge thinning out to the Hubei province in Chongqing city. The Yangtse Three Gorges west gets Chongqing city Feng Jie County, Dong Zhi county Hubei province Yi Chang City , overall length 193,000 meters. Self west face east have big three canyon section of an area mainly: Gazing alarmedly pond gorge , Wu Xia and Xiling Gorge, Three Gorges gets a name as a result. The high mountain confronts each other for two sides of Three Gorges , the precipice is cliffy, general height of peak goes out of a river facing 1000- - 1500 meters. The narrowest place is insufficient hundred meters. Three Gorges is to rise since this a belt crust is ceaseless , down, water cuts but forms the Yangtse River intensely, the hydroelectric potential is therefore extremely rich.

The streamlet calls a gazing alarmedly pond a gorge from Bai Di town to black pigment used by women in ancient times to paint their eyebrows , Wu Shan fits Wu Xia till Padang government official ferry crossing , the Zigui incense streamlet fits Xiling Gorge till south Tianjin closes. The peak rises 1,000 to 1,500 meters , the precipice high and steep stands on , the river binds tightly on both banks, the narrowest place is that the Yangtse Three Gorges entrance one-legged monster door only has 100 meters or so. Have `stone to take place doubting the nothing road , say that the litre realm having day' in much circuitous water channel dangerous shoal , the boat line gorge.

The Yangtse Three Gorges , one of Chinese 10 big scenery famous places for scenery or historical relics, of Chinese 40 nice tours landscape. Stretch from the west of Chongqing Feng Jie Bai Di town to the east of Hubei Yi Chang City moist the Yangtse Three Gorges south turn off , the umbrella name being gazing alarmedly pond gorge , Wu Xia and Xiling Gorge three section of canyon, are 192 kilometres be elegant strange magnificent landscape gallery , the overall length most on the Yangtse River , are just "big Three Gorges " often speaking. "Little Three Gorges " still having "small Da Ning county River Three Gorges " and horse besides crossing a river. The peak clip stands erect two sides of here , harbor face is narrow circuitous, beach reef board game cloth , streams surge are torrential in harbor. Majestic "Wan Shan town water Yang is vast and boundless , surrounded by mountains and girdled by a river arguing circuitous. Be bank now and then the mountain rises steeply if being burning axe, alternate to seem the desire is two-phase lean on. Be that the precipitous cliff stands erect now and then in the water stifled, the harbor stream blockage road doubts a nothing ". The poem is hit by comrade Guo Mo Ruo in one "Sichuan Dodge " , the powerfully extremely elegant ease , depiction holding gorge area scene have to describe fully. Our country had a volume of the geographical feature masterpiece being called "Commentary on the Waterways Classic " in the ancient times , Li Dao Yuan wrote when being Northern Wei Dynasty , had one passage's vivid description about Three Gorges in the book: "From seven hundred Three Gorges lining middle , both banks Lian Shan, leave out the nothing fault place. Heavy rock peaks rising one higher than another , the hidden sky cover Japan , are allotted at the midnight , can not find the sunlight moon from being not a pavilion, as for Xia Shui assists a mausoleum, the edge is gone against hinder superb. Or the king fate emergency announces , the emperor , the sunset are in the sometimes arrive at Jiang Ling county , between them thousand two hundred li towards clouding, though multiplication heads for imperial wind, do not use disease also. Now and then , then usually rushing green pool of spring winter, returns to the clear inverted image. The Three Gorges field strides over two provinces. Both banks high mountain ridges , sheer precipice and overhanging rocks , scene are unusual matter-exhausted, cliffy continuous both banks peak, general height produces river 700-800 meters or so. The narrowest place of river has 100 meters or

so; With gigantic Three Gorges Project of scale building, have become the famous tour of world hot line here more. The graceful beauty spot of Three Gorges tourist area is a lot of, among them the most famous Feng Dou ghost town , Zhong county Shi Bao stockade , Yun Yang Zhang Fei temple , gazing alarmedly pond gorge , Wu Xia , Xiling Gorge , magnificent Three Gorges Project, small Three Gorges of Da Ning county River waits. Travel Three Gorges having three routes to may elect: 1, obeys a river but from Chongqing quick rhythm down distance of view and admire peculiar Three Gorges scene; 2, goes upstream from Shanghai , Nanjing , Wuhan touring the Yangtse River along the way beautiful scenery; 3, sets off from the Three Gorges east entrance Yi Chang City taking a look at beautiful magical the Yangtse Three Gorges scene fully. The Yangtse Three Gorges , boundless scene. Gazing alarmedly pond the gorge grandness , the Wu Xia being elegant and pretty , the Xiling Gorge scarry, Da Ning county River , incense streamlet , magical agriculture streamlet's in still having three section of canyon is magical and simple and unsophisticated, landscape gallery a magnificent and changeful prospect here mountain peaks , heavy rock peaks rising one higher than another , cliff using this well-known world confront each other for , cigarette steamer fog locks up; Here river water , gallop , shy turbulent billows are pat bank , pushing forward despite repeated frustations; Here Qishi, is thin lofty and steep, in different poses and with different expressions, be like person if thing; Here karst cave , badly dressed appearance, are spacious deep , mysterious and hard to guess, ...And Three Gorges every hill and every river , one scenery one thing, there be no the inferior to poem if painting, is accompanying a lot of beautiful myth and moving legend , is making people feel excited.

The Yangtse Three Gorges , clever outstanding personality of field. Here be one of Chinese ancient culture headstream , famous Da Xi culture, glorifies an extraordinary splendour extremely being glittering in the long process of history; Here, have been pregnant with the great patriotic Chinese poet Qu Yuan and through the ages famous female Wang Zhao Jun; Green hill blue water , Zeng leave Li Bai , Bai Juyi , Liu Yu Xi , Fan Cheng are big , Sage of Poetry such as Ouyang Xiu , Su Shi , Lu You footmark of the literary giant, has left the canto that many eulogize through the ages; The gorge deep valley , Zeng are acient battlefield of the Three Kingdoms greatly, field of being that uncouted heroes gallop using force; Still have a lot of famous places of historic interest here, Bai Di town , Huang Ling temple , southward moist pass, ... Their landscape scene being the same as here shines by reflected glory , enjoys.

Three Gorges is two Chongqing Hubei provinces cities people life place , live in Tu Jia Zu mainly let the Han nationality draw, they all have a lot of distinctive custom and habit. Lunar calendar dragon-boat race every year in May the Fifth, is that offer sacrifices to an activity that Chu township people hold to express the esteem to Qu Yuan one kind. The Padang back Lou world , unique marriage of soil family custom, still have that crown of fish being called mighty national treasure- - of expression- Chinese sturgeon. Three Gorges is used whose scene of world renown elegant and pretty and humanity landscape of colour and variety in 1982, the first batches of state-class national park name list are listed in by State Council allowance.

On October 23 , 2005, the most beautiful Chinese local ranking list announces in Beijing. That China who chooses through public appraisal out is the most beautiful ten Grand Canyon part for is: Yaluzang spreads Grand Canyon , the Jin Sha river tiger jumps gorge , the Yangtse Three Gorges , Nujiang River Grand Canyon , Lancang River Mei Li Grand Canyon , very rude cabinet Grand Canyon , Huanghe River Shanxi Province Shaanxi Grand Canyon , Dadu River gold mouth Grand Canyon , Taihang Mountains Grand Canyon , Tianshan Mountains Ku Che county Grand Canyon.

An Introduction of Hubei Provincial Museum

Hubei Provincial Museum, a collection of Hubei Province, archaeology, study, display, historical and revolutionary relics exhibition at the centre of cultural relics collection of about 200,000, of which Bianzhong, Yue Goujian bronze sword, and so the world is unearthed treasures. Completed in 1999, opening up the "bells Museum" is to show the Chinese nation at home and abroad tourists brilliant ancient civilization of bright window. 2400 bells buried underground for many years, can still perform all kinds of ancient and modern music, known as World "Eighth Wonder."

Hubei Provincial Museum is the only provincial Hubei comprehensive museum, located in Jiangcheng the coast of Donghu Lake in Wuhan, a major commitment of the province's cultural relics collection, storage, protection, exhibition and display collections of research work. Premises covering 122 acres and 40,000 square metres of floor space. Museum premises by the bells, Chu cultural centers, comprehensive exhibition floor (under construction), with the current museum already has more than 200 professionals (including research librarian 9, Deputy Research Librarian 21), with the Office of the Department of display, custody, the Department, the Educational Department, the Cooperation Department, the Department of Archaeology, the centre-business sector. Attached to the Office of the Hubei Provincial Culture.

Hubei Provincial Museum construction in 1953, the Hubei Provincial Museum's "predecessor" is established at the dawn of the founding of the Museum of Hubei Province, March 16, 1953 approved by the Provincial People's Government, in the former Science Museum on the basis of the establishment of Hubei Provincial Museum (Preparatory), and Hubei and Heritage Management Committee Offices. 1957 formally established Provincial Museum.

The library now has more than 26 pieces of cultural relics collection, which at the national level for 812, David-class heritage 16. Hubei Provincial Museum collection of the rich heritage both local characteristics, but also has the characteristics of the times, basically reflect the ancient culture in Hubei face. In addition, part of artifacts even in the history of the development of ancient Chinese culture is also a pivotal position. Collection rich heritage category, for complete category, there are ceramic, porcelain, bronze ware, Qimu, the jade, calligraphy, etc.. Rewrite the history of World Music, the world's largest bronze instruments - Bianzhong, the first sword under the sky - Yue Gou Jian Jian as the Museum's Tianguanzhibao.

Chu a strong wind, was a main wings, the central axis of symmetry is displayed in the exhibition hall, "Zenghouyi finds from the tomb", "Chu Culture Show." Gou Jian Jian Yue

As bells Museum Hubei Provincial Museum Hall of a wing, in the January 1999 opening. Main display Zenghouyi tomb unearthed over 10,000 pieces of cultural relics, including Bianzhong of the different types of heritage boutique, is basically a reflection of the image of the 5th century BC in the middle reaches of the Yangtze River Encyclopedia. Museum dedicated bells bells also Auditorium to Zenghouyi tomb unearthed bells, chime stones, and other musical instruments for a copy of a concert.

Chu cultural centers as the Hubei Provincial Museum Hall of another wing, in December 2005 opened to display the "Chu Culture Show." Chu culture of the pre-Qin period as a regional culture, a unique, self-contained, profound, a Pre-Qin Dynasty Chinese civilization is an important component. The exhibition is divided into eight parts, the exhibition focused Chu in Hubei

Province unearthed relics essence, to fully display the brilliant Chu culture. Gou Jian of Yue exhibits a sword, spear King Fu Chai, and the 2002 recovery in Hubei Zaoyang Nine pier excavated Chu Chemakang in some horsemen.

Hubei Provincial Museum also has a strong research capability, a series of studies published over the years works, there are "sleeping tiger Yunmeng Qin Tomb," "sleeping tiger and Qin SR text" and "Zenghouyi Grave," " Bianzhong study, "" Zenghouyi tomb fine art, "and" China Cultural Relics and Archaeology of the United States - Underground Palace Music, "" China Hubei archaeological finds, "" Hubei Provincial Museum. " Heritage preservation in the study also more prominent, like the bamboo slips dehydration saturated with water saturation lacquer dehydration in the leading domestic level

Wuchang towering stand in the Yellow Crane Tower Snake Hill, where the "world must King" reputation, and Hunan Yueyang Tower, Jiangxi and central business district known as the "three of the Jiangnan floor." Yellow Crane Tower was built in the Three Kingdoms Period Miss researcher 2002 (AD 223), the legend is built for military purposes, Sun Quan for the realization of "using force to the country and Chang" ("Wuchang," the origin of this name), wall for defense, construction of buildings to Liao Wang. To the Tang dynasty, and its military nature has evolved for the famous attractions ages Wenrenmeike this Tour, leaving many well-known poems. Cui Hao Tang Dynasty poet, a "Xiren cranes have to take, here spare Yellow Crane Tower. Cranes gone forever, Baiyun dream space of time.晴川 Lili Hanyang tree, Grass Qiqi Parrot Island. Nippori Rural Where is the people's Yanbo unhappy. "Masterpiece has become eternal, the Yellow Crane Tower has become famous.

Bangmoshan area is East Lake National Scenic Area an important component of the scenic area, the State Council has published the first batch of state-level key scenic spots, it is the Central Office for Promoting Spiritual Civilization Construction, the National Tourism Administration of the "National Scenic Area tourism model of civilization" ; 4 A is the first state-class tourist area. June 2002 formally adopted national ISO14000 environmental quality certification, is currently in the national scenic spots ISO14000 Environmental Quality Model ranks.

Bangmoshan area surrounded on three sides by water, the six-Weiyi, a total area of 12 square kilometers, of which 2.7 square kilometers surface, like a beautiful peninsula. Deng peak here and look-Lian, riding BAI Lang tabled to the mountains, to appreciate the various landscapes of the charming. Sufficient rainfall and light, all here to watch more than 250 kinds of trees, a total of more than 200 10,000, in Wuhan "green treasure," Fitch. Bangmoshan the category Park plant After decades of building and development, gradually built up a set and open popular science, watch, the Tour was one of the 13 categories Park, four in the nation that is the first of the Plum Garden, Meiyuan East Lake, Sakura Park is the world's three known Bangmoshan Sakura Park, Dutch Garden, Rhododendron Garden, aquatic flower garden, bonsai garden, Guangxi Garden, Rose Garden, yesterday, Park, mountain tea, bamboo park. Here is a sea of flowers, spent tens of thousands of varieties, the area formed a "Jiahe Dongmei, Qiugui spring song" Seasons of letting a hundred flowers blossom pattern. Chu Culture Resort has magnificent Chu Shing Mun, a merchants trade Chu Chu City, Chu burns to the ancestor of the statue, were comparable to the Jiangnan floor of the three-Chutian called monument, the word text Sanjue "Li Sao" Tablets , the country's largest "Only Chuweicai" carving Park and the southern part of philosophizing park. In recent years China has also built the Temple of Heaven rural Liu Bei, Guan

Sheng Miao, River Bridge, LITHOGLYPHS, tobacco kiosks great wave of new attractions and cultural connotations.
