Developing Secure Systems
HW1
Due September 12, 2014
Points: 100

Read the following two articles; and based on these and the lectures, write an article between 3 and 4 pages (use Times New Roman, 11 font size, single space, 1" margin on all sides). Your article should try to have one or all of the following elements:

- Summary or review of the two papers below
- Relevant comparison based on the materials we have discussed
- Critique of the approaches – high lighting where each would be good etc.

Paper 1: [Correction by Construction](#)

Paper 2: [Agile Development with Security Engineering Activities](#)
