- } Notes and reflections

# Research funding snapshot

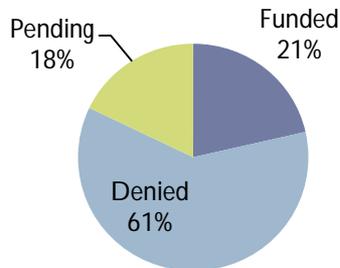

## Research Expenditures

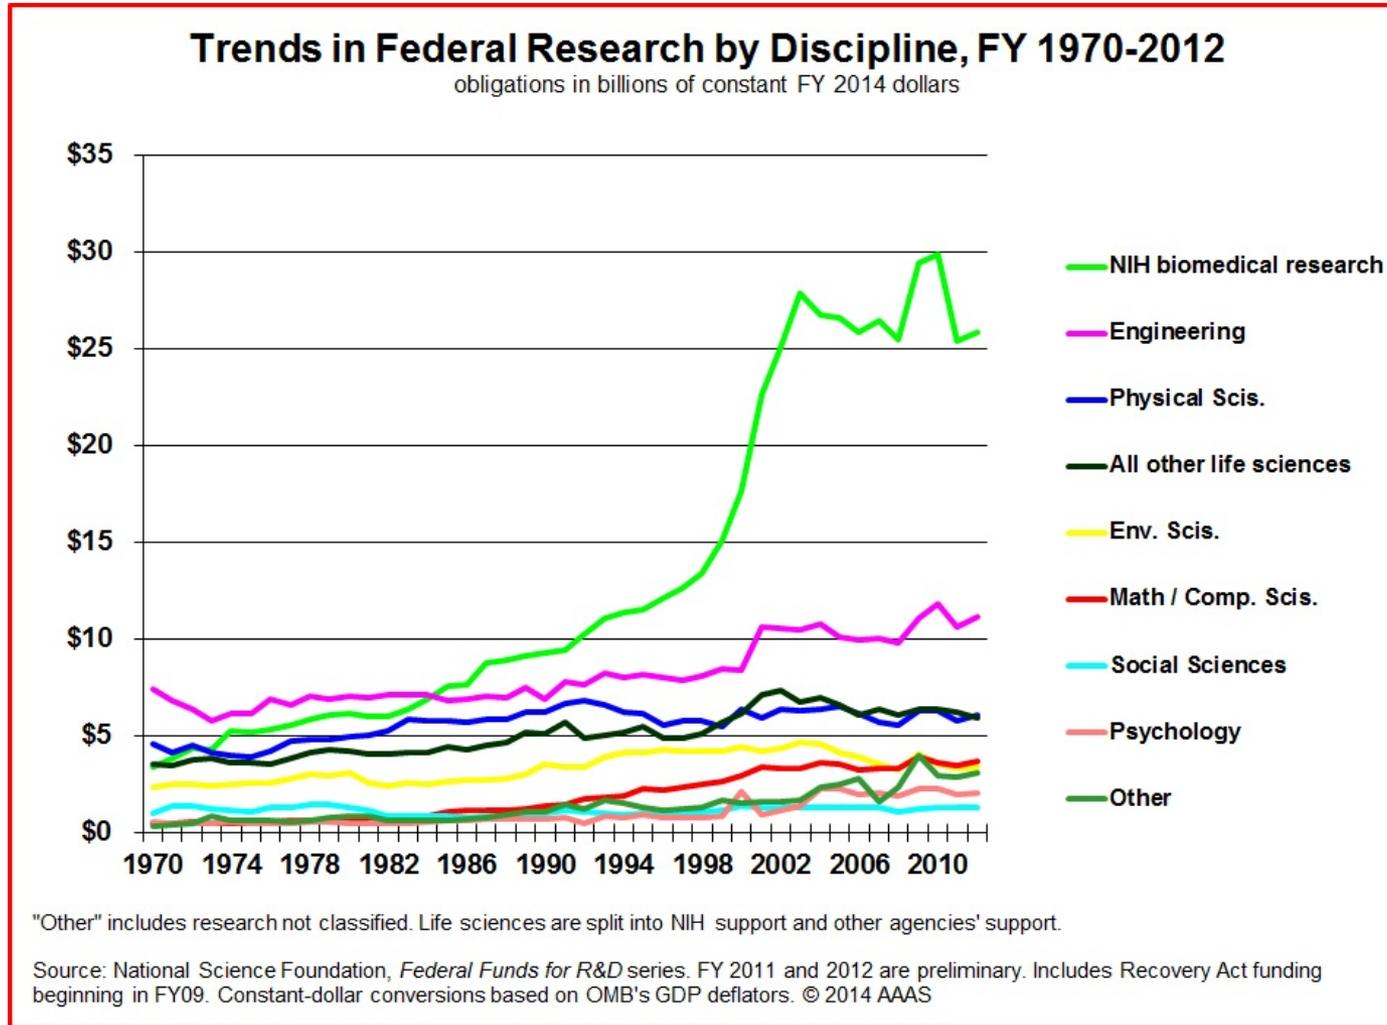

## Number of funded proposals by source

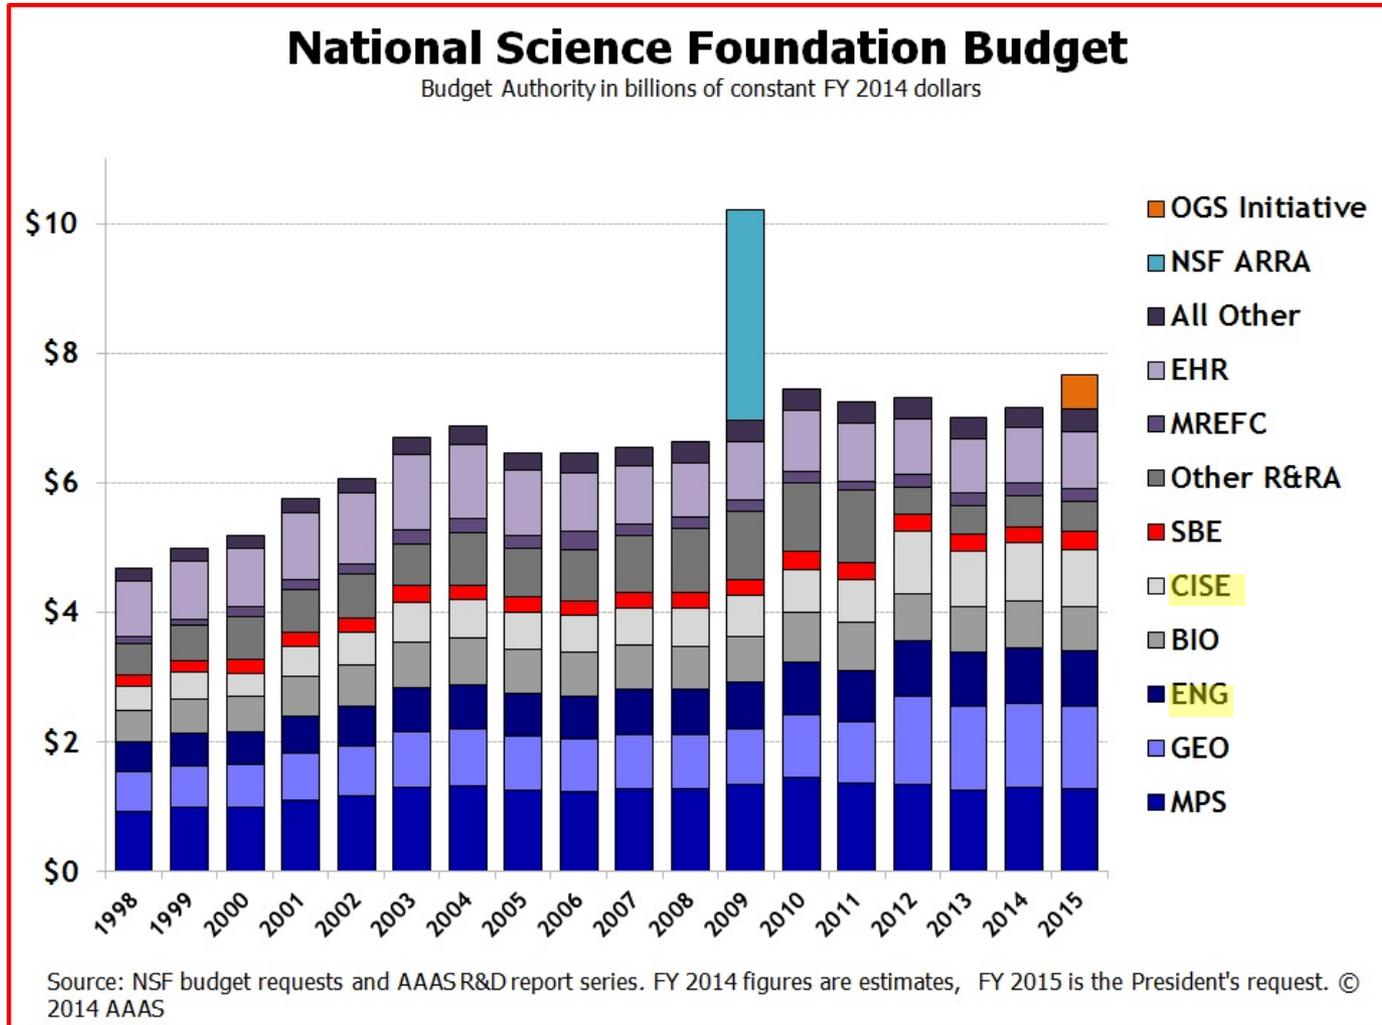

## Proposal outcomes this year

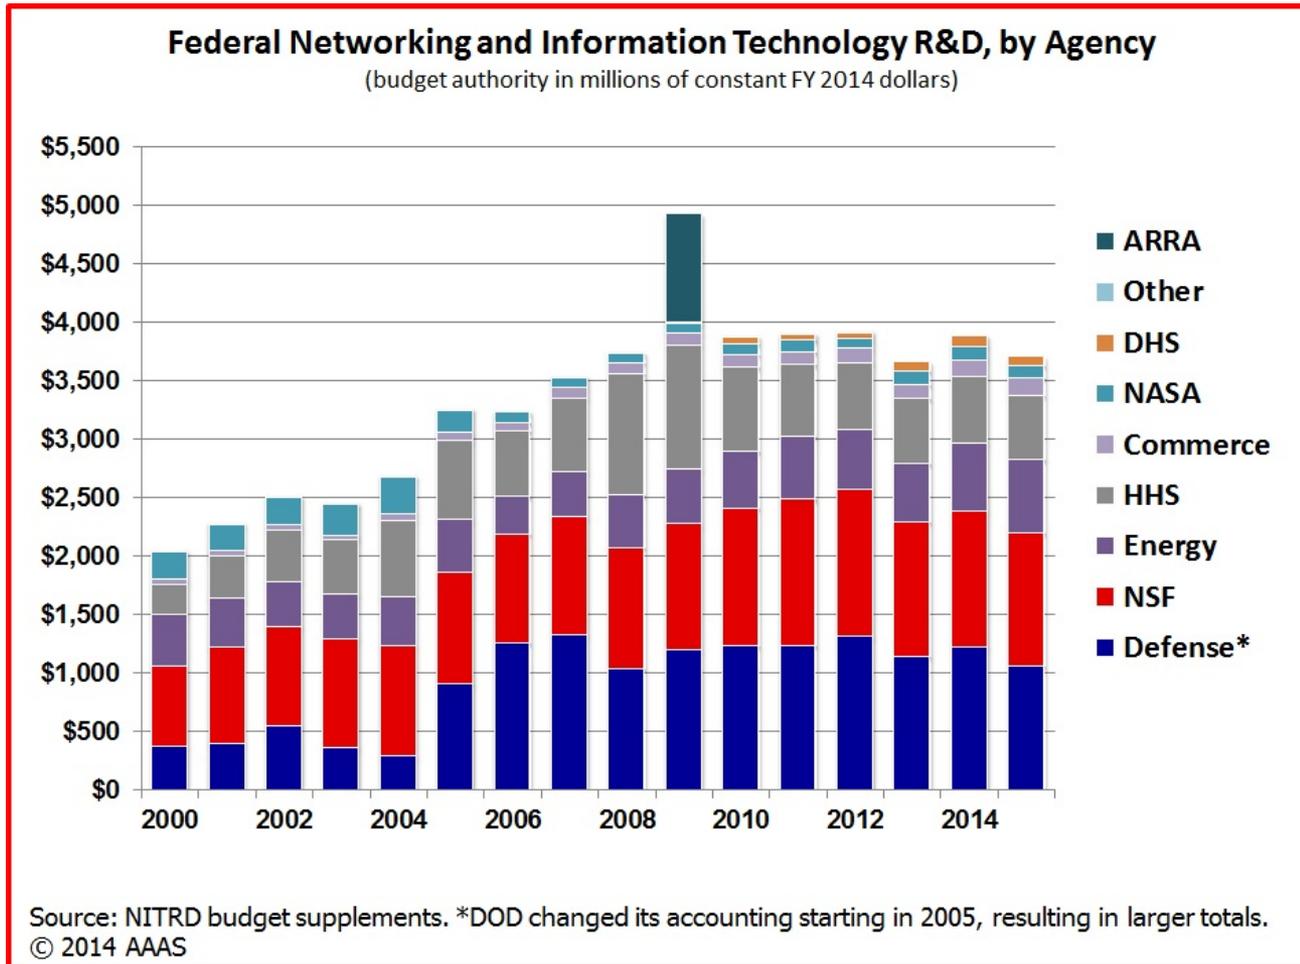

# Long range federal research funding trends

# NSF funding

# Federal IT research funding

# Reflections on research

---

- } **Research  $\neq$  funded research!**
  - } SIS faculty publish ~ 130 scholarly items per year
  - } Research credits are up 10% over prior year
- } **Recent faculty hires**
  - } Highly productive researchers
  - } Expect improved funding rate as they establish themselves
