

Orientation feedback

Thank you for attending the School of Information Sciences orientation for new students. In an effort to improve the event, we have developed the questions below to solicit suggestions from you. Please complete the form if you have any thoughts or suggestions for improvement. Please note that any suggestions you make will not be associated with your name, only your affiliation (faculty, staff, or student).

Please review below the schedule for the orientation session relevant to you as needed to answer the questions that follow.

WUFOO

I am evaluating new student orientation for the following semester: *

Please Select

I am a: *

Please Select

I attended new student orientation:

yes

no

If I did not attend, this was because:

1) For students, based on the communications we sent you about orientation before your arrival (a letter and/or email), did you feel prepared for what you needed to do and what to expect during orientation?

yes

no

If no, what could we do to improve our initial communications with you about orientation?

2) For faculty and staff, were you adequately informed about orientation and your role in it (if we asked you to attend or help)?

yes

no

If no, what could we do to improve our communications with you about orientation?

3) Please indicate the pieces of orientation at which you were present (check any or all that apply):

check-in

welcome session

iSchool faculty panel

pre-lunch session (students chose from a variety of sessions)

lunch

afternoon information session for your program

course scheduling session for your program

Partners program session

iSchool faculty showcase

social gaming time

4) Of those pieces at which you were present, please indicate any that you thought were NOT useful:

check-in

welcome session

iSchool faculty panel

pre-lunch session (students chose from a variety of sessions)

lunch

afternoon information session for your program

course scheduling session for your program

Partners program session

iSchool faculty showcase

social gaming time

5) If you indicated that any sessions were not useful, please tell us why you thought they were not:

6) Please indicate the pieces of orientation which you did not attend:

check-in

welcome session

iSchool faculty panel

pre-lunch session (students chose from a variety of sessions)

lunch

afternoon information session for your program

course scheduling session for your program

Partners program session

iSchool faculty showcase

social gaming time

7) If there were pieces you did not attend, please tell us why you did not attend:

8) Please tell us if you thought there were any topics we should have covered at orientation but did not:
