

The iSchool Benchmarking Survey

The Deans of the various iSchools are hosting a survey to offer a comparison of faculty, students, curriculum and financial aspects of all of the iSchools. This survey was first offered in 2012 and will be updated annually by participating schools. There were 38 questions (see the sample survey); below find responses to a select set of questions. Information provided below is exactly as provided by the iSchool; it has not yet been verified.
